

Content Checklist: Using Details	Content Checklist: Using Description
1) Review each component before writing. 2) Think about how you will include each element. Brainstorm before writing! 3) Write your paragraph or draft. 4) Complete this checklist and staple it to your draft.	1) Review each component before writing. 2) Think about how you will include each element. Brainstorm before writing! 3) Write your paragraph or draft. 4) Complete this checklist and staple it to your draft.
I have included the who. <input type="checkbox"/>	I have included what the narrator sees. <input type="checkbox"/>
I have included the what. <input type="checkbox"/>	I have included what the narrator hears. <input type="checkbox"/>
I have included the when. <input type="checkbox"/>	I have included details about what the narrator touches or feels. <input type="checkbox"/>
I have included the where. <input type="checkbox"/>	I might have included details about what the narrator smells or tastes. <input type="checkbox"/>
I have included the why. <input type="checkbox"/>	TIME TO REVISE:
I have included the how. <input type="checkbox"/>	I located places in the writing where I could describe what the narrator was thinking and I added his/her thoughts. <input type="checkbox"/>
TIME TO REVISE:	I used a couple examples of figurative language:
Circle your nouns. Are they specific or generic? Did you include luscious adjectives in front of most of them? <input type="checkbox"/>	Simile = The bike's engine purred like a kitten.
I located my verbs and used active tense and exciting verbs. <input type="checkbox"/>	Metaphor = The purring engine roared to life.
	Onomatopoeia = He cranked the engine. Prrrrr!
	Alliteration = Perfectly purring, the plane's engine put passengers at peace. <input type="checkbox"/>

Directions: After you have done your checklists above, please allow a peer to provide you with written feedback. Following this, you may turn in your paper to me for feedback. Be sure to include this paper.
