

Name: _____

Section of the wiki your group was assigned: _____

Answer the following questions in sentences. You will need at least four sentences per question. This means you need to give as much detail as you are able.

Wiki Reflections

What was your plan for the section? What did your group WANT to get done?

What actually happened with the section? What did your group get done?

What ideas did you get later that you wished you could have added to the wiki but didn't have time OR you didn't know HOW to do it?
